Parent Survey Results

Dear Families,

Thank you for meeting with your child's teacher during conference week. The conferences are critical educational opportunities for parents, students and teachers to communicate with one another about the growth of the students. Teachers spend a lot of time reflecting on the growth of their students, and it is through conferences that students can share their strengths and stretches so that educational steps can be take to insure their success throughout the school year.

We have some exciting events coming up in November, the Thanksgiving Feast, Catalina Camp and Outdoor Science Camp, and in the month of December, The Holiday Show.

Our Character Counts theme this time of year is **Caring**. Please help us to instill this sense of caring in our children this season by encouraging them to do something nice for someone else.

Yearbook Photos

Dear Students and Families ~
Have you been taking school photos?
We would love to include them in the
yearbook. Please put the photos on a
CD labeled with the class and the
event and bring them into the office.

Thanks so much!
