September 4, 2018

I hope you all had a relaxing a rewarding three day weekend!

Looking ahead...

We have an opening for two members of the Board of Directors, including a Treasurer. The Board has nine members, including teachers and parents, meets monthly and is the governing body of the school. If you are interested or can suggest a parent or community member please let Robert Feinberg (President) or Dr. Dewey know. The Board asks that interested candidates submit a letter of interest to the school by September 14 and attend the September 25 Board meeting.

Our garden is in need of TLC - and volunteers! We have formed a parent garden volunteer group with some garden work days planned. Please let the office know if you can give one or two hours a week to planning future garden projects. Our first work day will be Sunday September 23 from 12 to 4. Sign-ups will go out on ParentSquare.

If you are interested in joining the Auction Committee, please stop by the office. We are looking for dedicated volunteers to help organize this major Spring fundraiser.

The 3rd grade is visiting Lotusland and the MOXI museum tomorrow. We wish them a fun day of learning!

Canvas for Middle School Parents allows you to link to a student account to see assignments, grades and content. A link to get started can be found on our website home page. For help or troubleshooting please stop by my office at drop off, pick up or by appointment.

We will have Otter Pops on sale Friday. We welcome donations of boxes of large ice pops - please bring to Mrs. Trujillo. Funds raised will go to middle school activities and equipment.

Thank you for signing up for Birthday Grams and supporting Student Council - our first Balloon delivery is this week!
