

Tuesday Folder  
September 25, 2018

Our first Garden Workday of the year was a huge success. Thank you to all our families who showed up to move mulch, load up garden waste, cut back old growth and tidy up. Your hard work made a REAL difference! We will have another Garden Day at the end of October. Wednesday (tomorrow) after school we need help loading a truck with cuttings, if you can make it please meet by the flag at 3:15.

There is a Board of Directors meeting at 5:30 today in the multi-purpose room. All are welcome.

The school website has an updated fundraising section with a wish list and information on the Annual Appeal. We are looking to launch the Appeal in early October, with our goal being 100% participation at a level that suits each family. More details to follow.

Keep up the momentum for Bubble Run! Find as many sponsors as you can and help us reach our PTSSO fundraising goal.

The 8th grade is organizing the sale of Axxess Books. They can be pre-ordered by signing up in the office or by RSVP on ParentSquare. Axxess books are \$40, each book sold raises \$13 for SYVCS and brings big savings for users.

We are excited to share that Mrs. Trujillo will be traveling later this week to our nation's capital to attend a ceremony at the White House in honor of her nephew Staff Sgt. Ron Shurer who will receive the Medal of Honor. Read more of his story [here](#).

Congratulations to Mrs. Mayer who will be honored at a 'Heroes Luncheon' at Dunn School Friday. Mrs. Mayer will be recognized by alumna Chimay Buyalos.

Thank you to the 8th grade parents and Mrs. Trujillo for organizing the 8th grade brunch. Special thanks to Shelley Johnson and Danielle Lageman.

Thank you to Haidy Alvarado for her work on the garden irrigation as well as hauling away our trash pile and to Angie Ouelette for securing 16 tons of free mulch.

Thank you to the PTSSO for providing a new storage shed for the lower playground. It is much appreciated.

Friday - ice pops!

**GO DRAGONS!**

Please see attachments for more details on...
