

Tuesday Folder  
November 27, 2018

I hope you all had a good break and spent some quality time with family and friends. We have an exciting few weeks ahead towards the festive season.

Today is #GivingTuesday! We are so thankful for all you do for our students, teachers and school; there is no better cause we can support than creating the best opportunities for our kids. We have had a great start to the **Annual Appeal** with over 15% of families donating and we are on the way to reaching our target of 100%. I am grateful to all our Board members for leading by example and donating already. In the next three weeks we will be reaching out to you with the help of parent volunteers to drive up the participation level. Look out for our Dragon-ometer which will be on display soon - and please bring in your appeal envelopes as soon as you can!

Thank you to our teachers and room parents who are helping to coordinate this year's **Holiday Gift Baskets**. Our school adopts nine local families (one per class), providing gifts for each family member through your kindness. The 5th grade students will also help to put together food boxes next month.

Excitement mounts for **The Winter Show** which takes place December 13. This year, in addition to our traditional cookie exchange we plan to display and raffle Gingerbread Houses made by our Dragon Families. A volunteer sign-up for help with setting up the Show will go out soon on ParentSquare.

Please see attachments for more details on...

Buellton Winter Fest  
Volleyball Clinic
