

Tuesday Folder
December 4, 2018

There's a chill in the air and just a little excitement here at Charter as we move closer to our Winter Show and the festivities we're planning. Every day I see more Santa hats - how many can we see before the 21st?

Both **Tennis and Basketball** finish up their seasons this week. We are so thankful to Coach Dalton, Sally Eubanks, Loren and Sarah Ollenburger, Tyson Swing and Paul McNamara for giving their time and coaching skills in support of our athletes. Tennis doubles concludes today at Dunn, and Basketball starts their tournament today at 6pm at Solvang School. Come out and show your support!

Please look out for permission forms for our **'Whoville' Winter Show** practice which takes place December 13 during the school day. Our Dragon performers will walk up to the Upper Campus on Pine Street and back again. Please also consider helping to set up the Show; volunteer times are listed on ParentSquare. You can also walk up with your student's class, see attached practice schedule.

Everyone loves cookies! If you're baking this weekend remember to make a (nut-free) batch for our **Winter Show Cookie Exchange**.

As you shop online this season, consider buying a gift for our teachers' classrooms! (Coach would love a parachute). See our WISHLIST on the school website. Thank you!

Many thanks to students Cora, Sienna, Kassidy and ChloeAnn for helping with the Arts Outreach Gingerbread House fundraiser. Pics attached.

Please see attachments for more details on...
