**Notes on Public Comment:**

Executive Orders currently allow school boards to hold public meetings telephonically or otherwise electronically, waiving the requirements for the physical presence of members in order to participate or establish a quorum. Meetings held electronically must allow members of the public to observe and address the meeting electronically. The temporary modifications to the Brown Act remain in place while public health officials have imposed social distancing measures and/or limitations on public events.

If you would like to address the SYVCS Board of Directors at the regular meeting listed above, please submit any public comment via email to [info@syvcs.org](mailto:info@syvcs.org) prior to the Board Meeting. Public comments should be limited to 500 words. The Board will allow up to 30 minutes public comment, which may be extended as reasonable. Comments will be read aloud by a Board Member in the order in which they were received. Any comments that exceed the total limit will be included as part of the record but not read during the meeting. The Board is prohibited from taking action on any item that is not part of the published agenda.
