- * E - A - D
- * C - F
- * E - D slide
- * C - Am - F - Em

STOP!!!

Please review the following chords.

DO NOT proceed until you can move freely between them!
Here's your test. You have 15 seconds to play these 7 chords...

A Am C D E Em F

Our new chord to practice is G
I suggest using fingers 2, 3 and 4 to create the chord.
Some people find it easier, some find it harder.
Either way, you'll know both eventually:)
Use 1, 2 and 3 if you like.

Here are a list of 2 chord songs using G.

Play any and all you like.
