Pillar of the Month ***CITIZENSHIP***

It was exciting to see our students' success at the Math Super Bowl, with each grade level earning an award! Congratulations, and thank you to the volunteers who helped coach our teams.

We look forward to seeing you and your friends at the golf and tennis tournament this Friday.

As we plan for the end of the year activities, please plan on joining us on June 6th at 9:30am for our Graduation Ceremony. This event is a whole school and family event. When the ceremony ends around 11am, we invite you to check your child out from school to begin summer vacation!

With the end of the school year approaching, and our 8th grade class graduating, our Board will be looking for a new member to fill Chrystine Urban's seat on the Board. Please look for an additional letter and information from her this week. If you are interested in volunteering to serve on the Board, please reach out to our Chairperson, Leah Warson, or myself to express your willingness to serve.

Important Dates

May

- May 20-4th Grade Play 6:30pm
