Character Counts

Respect

This past week saw a huge number of volunteer hours being given to support our school activities. We'd ask that you help us celebrate the number of hours given by recording your volunteer hours in one of two places: On ParentSquare or on the Volunteer Logs found in the office. Using ParentSquare you can record any/all of your volunteer work by going to "My Account" and clicking the "Report Volunteer Hours". You can also pick up a paper volunteer log in the office, fill it out at any time and turn in to the office. These hours will be recorded monthly on your ParentSquare account for you. Thank you for helping us document the full efforts that all give to support our school.

Jog-a-Thon: Personally I was so impressed with the distance ran by our students (413.28 miles!) and the money pledged (more than \$14,000!). Please turn in your final money and sponsorship forms by this Friday, October 27 to be eligible for prizes. PTSO will host morning assembly with prizes on Monday, November 6! Thank you to everyone who has helped make this event a success for our students.

Middle School Camps: 6th Graders are at Camp Ocean Pines in Cambria this week, enjoying archery, ropes course, kayaking, hiking, and night activities! 8th Graders will be attending AstroCamp Monday, October 30-Friday, November 3. All forms are due tomorrow (Wednesday, October 25).

Halloween: Please make sure that costumes have no blood, no gore, no masks, no face paint and no weapons. Our school parade will be on Tuesday, October 31, at 8:20am. You are encouraged to come join us to cheer on the great costumes and take lots of photos!

GO DRAGONS!

Cal Poly Pier Open House

**PIER
OPEN
HOUSE**

**10.28.2017
9am-12pm**

UPDATE

It's that time again.

The next Cal Poly Pier Open House event is scheduled to take place from 9 a.m. to noon Saturday, October 28.

Central Coast residents are invited to attend an open house at the Cal Poly Pier in Avila Beach.

Attendees of the annual open house event are treated to a tour that features interactive displays, microscopes for viewing ultra-small sea creatures, a "discover SCUBA" experience and more.

Cal Poly professors and students will be on hand to explain their ongoing research into local marine life, including Morro Bay's ecosystem, sustaining local fisheries and mapping ocean currents on the Central Coast.

The Cal Poly Pier is a little more than a half-mile long (1.2 miles round trip), and displays will be located at the ocean end. Safety rules require that everyone admitted to the pier wear closed-toe walking shoes (no flip-flops or high heels).

The Cal Poly Pier is located on Avila Beach Drive, just west of the San Luis Creek Bridge. Parking is very limited near the pier. Pier tour attendees are encouraged to park in the public parking lots in Avila Beach and walk to the pier.

The pier supports field research for Cal Poly's Center for Coastal Marine Sciences and the SLOSEA program. Since its donation to the university in 2001 by Unocal, now Chevron Corp., the pier has

been used by 1,500 students per year for classes or research activities.
