

Hello Dragon families!

I am Mr. Wilcox and I will be the second grade teacher this year! I am excited to begin my second year as a Dragon! I earned my teaching credential from UC Santa Barbara in 2020, and previously taught within the Goleta Union School District for the past 2 years. My favorite part of teaching is the relationships and connections I get to build with the students, and I can't wait to meet all of you soon! See you on the first day!
