Welcome to First Grade!

2026-2027

Hello families! My name is Jane Dormady or Miss Dormady and I am thrilled to be teaching first grade at SYVCS this year. I am a graduate of the UCSB Teacher Education Program class of 2026, and am looking forward to creating an exciting and engaging classroom environment with your students.

To achieve success in first grade, students will need certain materials to participate in our daily learning and activities. Please see the list of supplies below that students should bring on the first day. Please put all classroom materials in a paper bag with their name on it. If you have any issues finding these materials or need support, please do not hesitate to reach out at **jdormady@syvcs.org.**

When deciding on supplies, please help your students make responsible decisions about what materials will or will not be distractions at school. We will be talking about what it means to be responsible in first grade and how to use our materials as tools not toys. That said, if your student wants multicolored #2 pencils instead of the classic yellow, for example, I am in full support if they will help make your student more comfortable and ready to learn!

Again, please do not hesitate to reach out with any questions or concerns! I am looking forward to a wonderful year! Go Dragons!
