Mrs. Ast's - 5th Grade School Supplies List 2026-2027

Hello 5th Grade Families!
Different last name but same excited teacher! After getting married last April, I have changed my name, Ms. Usher, to Mrs. Ast (pronounced: *awst... think "Awesome Ast!").* Looking forward to another fun-filled year of learning at SYVCS! This will be my 12th year at Charter

We will have fun learning about the states, ecosystems & space, fractions, and exploring novels. And Rocket is thrilled for school to be starting again... He's been helping me get the classroom ready!
