INDEPENDENT AUDITORS' REPORT

To the Governing Council of
Santa Ynez Valley Charter School, Inc.

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of Santa Ynez Valley Charter School, Inc. (a California nonprofit organization), which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the fiscal year then ended, and the related notes to financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Santa Ynez Valley Charter School, Inc. as of June 30, 2025, and the changes in its net assets and its cash flows for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and the *2024-2025 Guide for Annual Audits of California K-12 Local Educational Agencies and State Compliance Reporting*, prescribed by Title 5, *California Code of Regulations*, Section 19810. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Santa Ynez Valley Charter School, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Santa Ynez Valley Charter School, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

BEVERLY HILLS · CULVER CITY · SANTA MARIA

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Santa Ynez Valley Charter School, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Santa Ynez Valley Charter School, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was performed for the purpose of forming an opinion on the financial statements that collectively comprise the Santa Ynez Valley Charter School, Inc.'s basic financial statements. The supplementary information listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The supplementary information listed in the table of contents is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated November 13, 2025, on our consideration of Santa Ynez Valley Charter School, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization

The Santa Ynez Valley Charter School, Inc. (the Organization) was incorporated on June 30, 2000, as the Santa Ynez Valley Charter School, Inc. This Organization is organized and operated exclusively for charitable, literary, or educational purposes within the meaning of Section 501(c) (3) of the Internal Revenue Code of 1986. The Santa Ynez Valley Charter School, Inc. (hereafter called SYVCS) was founded to work collaboratively to create a supportive, innovative, and academically challenging education environment that nurtures its students and prepares them for high school through close curricular articulation. The SYVCS will also emphasize preparation of its students for a successful and rewarding future by developing both academic and nonacademic skills, including community involvement and social skills. It is the vision of SYVCS to create a public school of choice, in which participants can enjoy the benefits of a small learning community that is enhanced by the educational, administrative, and budgetary flexibility afforded by the Charter School Law.

B. Basis of Presentation

The accounts of the Organization are maintained and these financial statements are presented on the accrual basis of accounting.

C. Recognition of Donor Restrictions

Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

D. Financial Statements Presentation

The Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. In addition, the Organization is required to present a statement of cash flows.

E. Contributions

Contributions received are recorded as without donor restriction or with donor restrictions, depending on the existence and/or nature of any donor restriction. Such contributions are required to be reported as net assets with donor restrictions and are then reclassified to net assets without donor restrictions upon expiration of the restriction.

F. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

G. Cash and Cash Equivalents

For the purpose of the statement of cash flows, the SYVCS considers as cash equivalents all highly liquid investments, which can be converted into known amounts of cash and have a maturity period of ninety days or less at the time of purchase. Excluded from this definition of cash equivalents are such amounts that represent funds that have been designated by the Board of Directors for investment.

H. Investment Securities

Investments in marketable securities with readily determinable fair values are valued at their fair value in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

I. **Furniture, Equipment, and Leasehold Improvements**

Furniture, equipment, and leasehold improvements are capitalized at cost. It is the Organization's policy to capitalize expenditures for these items in excess of $5,000. Lesser amounts are expensed. Furniture and equipment are being depreciated over estimated useful lives of three to ten years using a straight-line method. Leasehold improvements are being amortized over the shorter of the lease term or useful life.

J. **Tax Status**

Santa Ynez Valley Charter School, Inc. is exempt from federal income tax under section 501 (c) (3) of the Internal Revenue Code. Santa Ynez Valley Charter School, Inc. qualifies for the charitable contribution deduction under Section 170 (b) (1) (A) and has been classified as an organization other than a private foundation under Section 509(a) (2). With exceptions, the Santa Ynez Valley Charter School, Inc. is no longer subject to U.S. federal and state income tax examinations by tax authorities for the fiscal year before June 30, 2020.

NOTE 2 – LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of June 30, 2025 are:

Financial Assets:	
Cash with County Treasury	$ 314,386
Cash in bank	540,364
Accounts receivable	55,138
Total financial assets	909,888
Less financial assets held to meet donor imposed restrictions:

Learning Recovery Emergency Block Grant	(24,515)
Low-Performing Students Block Grant	(4,602)
Amount available for general expenditures within one year	$ 688,708

The table above reflects donor imposed restricted funds as unavailable because the funds can be only spent by the Organization for a specific purpose. See Note 8 – Net Assets with Donor Restrictions for activity of the fiscal year.

NOTE 3 – CASH AND INVESTMENTS

Cash with County Treasury

The Organization maintains cash in Santa Barbara County Treasury as part of the common investment pool ($314,386 as of June 30, 2025). The fair value of this pool as of that date, as provided by the pool sponsor, was $314,386.

The Organization categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. These principles recognize a three-tiered fair value hierarchy. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs. The Organization did not have investments measured under Level 1, Level 2, or Level 3.

NOTE 3 – CASH AND INVESTMENTS (Continued)

Cash in bank

For the fiscal year ended June 30, 2025, the Organization's deposits with financial institutions were in excess of $286,368 of federal depository insurance limits in uncollateralized accounts.

NOTE 4- SCHEDULE OF FIXED ASSETS

NOTE 5 – DONATED SERVICES

The Organization receives donated services from a variety of unpaid volunteers assisting in the operation of the school. No amounts have been recognized in the accompanying statement of activities because the criteria for recognition of such volunteer effort under ASU 2020-07 have not been satisfied.

NOTE 6 – CONTINGENCIES

The Organization has received funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate expenditure disallowances under terms of the grants, it is believed that any required reimbursements will not be material.

According to the Organization's staff, no contingent liabilities are outstanding and no lawsuits are pending of any real financial consequence.

NOTE 7 – UNCERTAINTY IN INCOME TAXES

Effective July 1, 2012, Santa Ynez Valley Charter School, Inc. implemented the new accounting requirements associated with uncertainty in income taxes using the provisions of Financial Accounting Standards Board (FASB) ASC 740, Income Taxes. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more-likely- than-not the positions will be sustained upon examination by the tax authorities. It also provides guidance for derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition.

As of June 30, 2025, Santa Ynez Valley Charter School, Inc. had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
Santa Ynez Valley Charter School, Inc.
Santa Ynez, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Santa Ynez Valley Charter School, Inc. (a California nonprofit organization), which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the fiscal year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 13, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Santa Ynez Valley Charter School, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Santa Ynez Valley Charter School, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Santa Ynez Valley Charter School, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON STATE COMPLIANCE AND ON INTERNAL CONTROL OVER COMPLIANCE

Report on State Compliance

Opinion

We have audited the Santa Ynez Valley Charter School, Inc.'s (the Organization) compliance with the types of compliance requirements described in the *2023-2024 Guide for Annual Audits of California K-12 Local Educational Agencies and State Compliance Reporting*, prescribed by Title 5, *California Code of Regulations*, Section 19810 that could have a direct and material effect on each of Santa Ynez Valley Charter School, Inc.'s state programs identified below for the fiscal year ended June 30, 2025.

In our opinion, the Santa Ynez Valley Charter School, Inc. complied, in all material respects, with the compliance requirements referred to above that are applicable to the statutory requirements listed in the schedule below for the fiscal year ended June 30, 2025.

Basis for Opinion

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the *2024-2025 Guide for Annual Audits of California K-12 Local Educational Agencies and State Compliance Reporting*, prescribed by Title 5, *California Code of Regulations*, Section 19810. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above, and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to its state programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether the material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the *2024-2025 Guide for Annual Audits of California K-12 Local Educational Agencies and State Compliance Reporting* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions misrepresentations, or the override of internal controls. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgement made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of the state programs as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the *2024-2025 Guide for Annual Audits of California K-12 Local Educational Agencies and State Compliance Reporting*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we consider necessary in the circumstances;
- Obtain an understanding of the District's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances, and to test and report on internal control over compliance in accordance with the *2024-2025 Guide for Annual Audits of California K-12 Local Educational Agencies and State Compliance Reporting*, but not for the purpose of expressing an opinion on the effectiveness of the Santa Ynez Valley Charter School, Inc.'s internal control. Accordingly, we express no such opinion; and
- Select and test transactions and records to determine the Organization's compliance with the state laws and regulations applicable to the following items:

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identify during the audit.

Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that a material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention from those charged with governance

Our consideration of internal control over compliance was the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit, we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the *2024-2025 Guide for Annual Audits of California K-12 Local Educational Agencies and State Compliance Reporting.* Accordingly, this report is not suitable for any other purpose.
